To Whom It May Concern:

I would like to express the following comments in regards to the LightSquared Proposal:

- I want **more competition in cellular service that will help reduce prices**, and LightSquared will bring new competition to big cellular companies with high prices.
- I want **better coverage and service reliability, especially in rural America**, and LightSquared will provide it.
- I want **more cellular capacity so that more calls can go through in an emergency**, and LightSquared will deliver extra, desperately-needed infrastructure.

I want **LightSquared to have a fair chance** to bring their offerings to underserved and overpriced cellular service.

Thanks
